PROFILE

I'M Mohamed Feras Highly creative and multitalented Designer with extensive experience in user experience and user interface design for website and mobile apps, website front end developer and motion graphic designer . Exceptional collaborative and interpersonal skills; dynamic team player with well-developed written and verbal communication abilities.

Furthermore, I am adept at handling multiple tasks on a daily basis competently and at working well under pressure.

A key strength is communication; building strong relationships with people in order to deliver the best results.

I use a creative approach to problem solve, I have experience working as part of a team and individually.
